QUEST DESIGN GROUP HIRES SUMMER INTERN

Frank Alvarez Joins QDG's Sarasota Office

Sarasota, FL – (June 16, 2017) – Quest Design Group hired a summer intern to work in the company's Sarasota office. Frank Alvarez, who will be a high school junior at Pine View School for the Gifted, is interested in pursuing a career in Architectural Engineering.

Frank was born in New Jersey and moved to Sarasota at the age of one. His previous experience includes crewmember duties and cashier at a local restaurant. Frank and his family live in Sarasota and attend the First Christian Church of Venice.

Frank will vacation this summer with his family in the Yucatan Peninsula. He loves music, plays bass guitar, and enjoys an occasional baseball game. His favorite color is orange; he has a younger brother at Ashton Elementary School, and at age 16 Frank is enjoying his first car.

Frank's favorite quote is "Gain from your opponents without sacrificing your own strength."

"QDG loves to support budding designers," says Robert Cave, Vice President of Operations of Quest Design Group, "and we look forward to sharing some real-world engineering experience with Frank."

About Quest Design Group (QDG)

QDG is an electrical, mechanical, plumbing, and fire protection engineering services business with offices located in Oakbrook, Illinois, Nashville, Tennessee, and Sarasota, Florida.
